

Infosys BPO Positioned in Leaders Quadrant of the Magic Quadrant for Finance and Accounting BPO

Bangalore, June 13, 2012 - Infosys BPO Ltd., today announced that it has been positioned by Gartner, Inc. in the 'Leaders Quadrant' of the Magic Quadrant for Comprehensive Finance and Accounting BPO, Global ¹. According to the research firm's report, "Leaders are performing well today, both with a clear vision of market direction and by actively building competencies to sustain their Leaders position in the market. The comprehensive F&A BPO players in this quadrant generally share superior market understanding, have a global client base, an extensive network of well-distributed and highly populated global delivery centers catering for multiple languages, a good balance of transactional and high-end F&A delivery, and innovative well communicated and marketed sales offerings."

"We believe that our position in the Leaders Quadrant is a testimony to our ability to seamlessly deliver end-to-end F&A services from multiple global locations. We consider this recognition as a validation of the strategic investments that we have made in the F&A practice across industry verticals. Our focus on developing and deploying cutting-edge tools have helped enhance the effectiveness and efficiency of our processes, while minimizing the risk of running accounting operations through a global delivery model" said, Gautam Thakkar, VP and Head - Enterprise Services, Infosys BPO.

The Magic Quadrants depict markets using a two-dimensional matrix that evaluates vendors based on their completeness of vision and ability to execute. The report evaluates vendor capabilities in the comprehensive F&A business process outsourcing market among 18 providers.

Infosys BPO's F&A unit has been active since 2004 and operates from more than 11 centers in more than 7 countries such as India, China, the Philippines, the Czech Republic, Poland, Mexico and Brazil. The company employs approximately 7,000 FTEs in F&A BPO.
